Dear Students/Parents/Guardians

### **EXTENSION OF THE SYNCHRONOUS HOME-BASED LEARNING**

In line with the extension of the current COVID-19 restrictions under the Stabilisation Phase announced by the Ministry of Health on Wednesday, 20 October 2021, SSTC is extending the synchronous home-based learning until Friday 19 November 2021. We will continue to monitor the situation and will provide further announcements as we move forward.

Should the situation improve earlier, we will be sending out further communication on the earlier resumption of the face-to-face classes.

During this period, we urge all students to minimise their movement and social interactions so that we can reduce footfall at common spaces and in public areas, including public transport. If you are unwell, please see a doctor and get tested.

Also, please refer to our website at [www.sstc.edu.sg](http://www.sstc.edu.sg) for the latest updates on COVID-19 related matters at SSTC Institute.

Should you require any clarifications, feel free to contact us at +65 6235 5685.

Thank you for your understanding and co-operation. Stay safe.

Yours sincerely
