

18 November 2021

Dear Students/Parents/Guardians

### **RELOCATION & EXTENSION OF SYNCHRONOUS HOME-BASED LEARNING (HBL)**

We had planned to bring all the students back for face-to-face classes from 22 November 2021 at our new campus located at 1 Maritime Square, #13-01 HarbourFront Centre. Unfortunately, the extension of the Stabilisation Phase has also affected the rate at which works at our new campus were able to be carried out.

As much as we would like to have our classes back on campus as scheduled, we had to make this difficult decision to further extend the Synchronous HBL for one more week to ensure that all the facilities and infrastructure at our new campus has been fully tested and approved for the safety of your child/ward.

In view of the above situation, we sincerely seek your understanding to make provisions for your child/ward to **continue with his/her Synchronous HBL from Monday, 22 November 2021 until Friday, 26 November 2021**. We plan to conduct an orientation for all our students to travel together with their respective teachers, in batches, from our City Square Mall campus to our HarbourFront Centre campus at some point next week. We will update all parents/guardians with regards to the date and time of the orientation as soon as it is possible for us to do so.

Should you require any clarifications, feel free to contact us at +65 6235 5685.

Thank you for your understanding and co-operation. Stay safe.

Yours sincerely  
Emil Dereinda  
Executive Director, Academic
