

## **PREPARATORY COURSE FOR ADMISSION TO GOVERNMENT SCHOOLS (SECONDARY 1)**

### ENGLISH

#### **(Learning outcomes)**

On successful completion of this unit a learner will be proficient in the following:

- Writing Skills
  - Essays for different text types
    - Narrative
    - Descriptive
    - Expository
    - Argumentation
- Reading and Comprehension Skills
  - Open-ended Questions
  - Multiple Choice Questions
  - Visual Text
- Language Development
  - Grammar
  - Vocabulary – Meanings and Usage
  - Structure
    - Editing
    - Cloze
    - Synthesis
- Speaking and Listening Skills
  - Oral
  - Presentation
  - Communication

### MATHEMATICS

#### **(Learning outcomes)**

On successful completion of this unit a learner will be proficient in the following:

#### Secondary 1

- Fractions
- Ratio
- Percentage
- Speed
- Volume
- Angles
- Whole Numbers and Decimals
- Nets, Symmetry and Tessellation
- Average

- Circles, Area and Perimeter
- Rates
- Pie-charts
- Data Analysis
- Algebra

## **PREPARATORY COURSE FOR ADMISSION TO GOVERNMENT SCHOOLS (SECONDARY 2)**

### ENGLISH

#### **(Learning outcomes)**

On successful completion of this unit a learner will be proficient in the following:

- Writing Skills
  - Essays for different text types
    - Narrative
    - Descriptive
    - Expository
    - Argumentation
- Reading and Comprehension Skills
  - Open-ended Questions
  - Multiple Choice Questions
  - Visual Text
- Language Development
  - Grammar
  - Vocabulary – Meanings and Usage
  - Structure
    - Editing
    - Cloze
    - Synthesis
- Speaking and Listening Skills
  - Oral
  - Presentation
  - Communication

### MATHEMATICS

#### **(Learning outcomes)**

On successful completion of this unit a learner will be proficient in the following:

- Secondary 2
- Ratio, Rate and Proportion
- Statistics
- Inequalities

- Mensuration
- Geometry
- Congruence and Similarity
- Number and Algebra
- Factors and Multiples
- Triangles and Polygons

## **PREPARATORY COURSE FOR ADMISSION TO GOVERNMENT SCHOOLS (SECONDARY 3)**

### ENGLISH

#### **(Learning outcomes)**

On successful completion of this unit a learner will be proficient in the following:

- Writing Skills
  - Essays for different text types
    - Narrative
    - Descriptive
    - Expository
    - Argumentation
- Reading and Comprehension Skills
  - Open-ended Questions
  - Multiple Choice Questions
  - Visual Text
- Language Development
  - Grammar
  - Vocabulary – Meanings and Usage
  - Structure
    - Editing
    - Cloze
    - Synthesis
- Speaking and Listening Skills
  - Oral
  - Presentation
  - Communication

### MATHEMATICS

#### **(Learning outcomes)**

On successful completion of this unit a learner will be proficient in the following:

### Secondary 3

- Proportion
- Algebra
- Solving Equations
- Linear Equations
- Congruence and Similarity
- Mensuration
- Set Language
- Probability
- Statistics
- Graphs
